

Scott County DeMolay: Michael's Fun World

Last month, Scott County DeMolay held their monthly fun night at Michael's Fun World! The chapter kicked off the night of fun with go-kart races. Then moved on to an all-out battle in laser tag, the red team came out victorious in both games. The Chapter closed out the night with batting cages and the inflatable park. The chapter had an amazing time! Scott County had one new prospect in attendance!

As you're all probably aware, Grand Master's Class is coming up this month and it's going to be an awesome sporty weekend! We'll be kicking things off Friday night with an epic video game event featuring boxing, racing, and tennis, among other great games. There will also be a spread of snacks and drinks. We'll also be doing a sports tournament with randomly selected teams which will be tons of fun! Just like every year, we will be performing our degrees before the Grand Master and his Grand Lodge Officers. So get hyped!!
