

Vision and Plans 2017-2018

Thank you all for demonstrating your confidence in me by electing me State Master Councilor. I will strive to be the best I can be. My vision and plans for the year are simple: Focus on membership. We have an amazing organization, let's share it with our friends. Sprinkling in smaller Brotherhood Events into our calendar that can be used as prospect parties for the chapters. Rewarding top recruiters throughout the state with crazy awesome prizes. Also, adding a Priory event for membership retention. Let's make it a great year!

Conclave Wrap Up

I hope everyone is now rested up from Iowa DeMolay Conclave 2017. We had a very busy weekend starting at Adventureland early on Friday morning. Friday night we watched The Sandlot at Za-Ga-Zig where we returned Saturday morning to play Knocherrball. We finished up Saturday with a ritual competition, Initiation, and the State Master Councilor's Banquet. Sunday was full of Public Ceremonies for our newest Chevaliers, Legionnaires, and State Officers! Message me on Facebook what your favorite part of the weekend was.

New Executive Officer of Minnesota DeMolay

At the Minnesota DeMolay Conclave this past weekend, "Dad" Aaron Brendel was made their new Executive Officer! He is a Senior DeMolay from Black Hawk Chapter in Cedar Falls. We say "DeMolay creates leaders" here is a perfect example. Congratulations to "Dad" Brendel as he takes Minnesota DeMolay to new heights!

Bro. Cunningham and "Dad" Cox attended Great Plains DLC, in Oklahoma, where they developed leadership skills and networked with DeMolays from across the US.

What DeMolay has Taught me

DeMolay has taught me so much in five years! It taught how to speak in front of people with confidence. My Chapter Advisor, "Dad" Hodgini, got me prepared for my first job interview. DeMolay has taught me the true meaning of the word comradeship. Never in my life would I have dreamed I would have this many people that I can call on. It is a wonderful feeling! Most importantly, DeMolay taught me how to keep a schedule for myself. I am, usually, able to balance school, work, and DeMolay successfully.
