

Thank you Iowa Rainbow

After DeMolay International, Iowa DeMolay drove from Buffalo, NY straight to Des Moines, IA to show our support for Iowa Rainbow! We were introduced Saturday night at their initiation where I was given the opportunity to present a gift on behalf of Iowa DeMolay. To Aria Jensen, Past Grand Worthy Advisor, thank you for your outstanding service to Iowa's Masonic Youth! We appreciate Iowa Rainbow for all they do and are very excited for the years ahead and what is in store.

Conclave Coming Fast!

July 28-30 is sure to be an awesome weekend! Friday, we're going to Adventureland, which features a number of roller coasters as well as the awesome Adventure Bay Water Park! We will also be watching a movie at the Za-Ga-Zig Shrine Center, with fresh popcorn and delicious pizza! Saturday morning we will be playing Knocherrball! If you're not sure what that is, make sure to look it up! Saturday evening we will be having our State Master Councilor's banquet to honor Bro. Nic M. and all that he's done for the past year! So make sure to be there, it's going to be a great weekend!

Iowa DeMolay State Officers with Jake Leeper, of Nebraska, at DeMolay International. Enjoying a day at Niagara Falls!

First Time Experience at DeMolay International

At DeMolay International, I networked with brothers from around the world and learned some new membership ideas that I'm excited to bring back to Iowa DeMolay. While we were there, we elected new International Officers and passed new legislation. Overall, the week was spent staying up late, getting up early, and most importantly, figuring out ways to improve DeMolay International!
