

Memorizing the Ceremonies

Grand Master's Class is coming up! We need to make sure we know our ritual and do a great job for the candidates and guests! A candidate's first impression of our ceremonies will be from their induction ceremony! I still remember mine and I'm sure most of you remember yours. To that end, there will be a State Ritual Practice in Cedar Rapids on March 10th at 2pm. If you're unsure of what part you have, look on iademolay.org and below! After the practice we will be going to a CR RoughRiders game, which will be fun! Can't wait to see everybody!

Grand Master's Class

Grand Master's Class is right around the corner and by that I mean April 21st. This event is one you will not want to miss. We start the day off with some crazy sports that the State Officers have been developing with the referees "Dad" Freel and "Dad" Freel. When we are finished with the sports we will be eating lunch and heading over to the Scottish Rite to perform our degrees in front of the Grand Master and his team. Then we wrap up the event with a banquet. It will be a great day for Iowa DeMolay! So, come out and make memories!

A Note on Membership

Over the past several years, the State Officers and Staff have worked to create quality events and experiences. This has been done in the hope that members would be proud of the organization they belong to and share DeMolay with their friends. In 2017, Iowa DeMolay had three great State Events — Grand Master's Class, Conclave, and All-Star — and we added two Brotherhood Events which generated 8 Prospects. If every active DeMolay asked 1 friend to have fun and make memories, Iowa DeMolay would grow in 2018!

Past IMC Chandler G. was a guest speaker for the Iowa Masonic Education Symposium on what future members look for in Masonry.
