

## April in Iowa DeMolay

This Month in Iowa DeMolay, Altoona DeMolay had a movie night! The chapter watched the movie Moana. Along with watching the movie they were blessed by one of their advisors with buffalo wings!

Cedar Rapids DeMolay had a educational night where they learned how to iron shirts and pants, led by "Dad" Joe Podzimek. They developed a greater appreciation for all their parents do to help them stay presentable! They also worked on their Leadership Correspondence Courses with a trivia game. Always getting closer to their Lamp of Knowledge!

## Arizona S.M.C.: Bro. Chase Gordon

Chase's favorite aspect of being State Master Councilor is continuing his journey and watching those he's met along the way experience their own. The best thing about Arizona DeMolay is the eagerness of their members to self-govern. They hold an annual Congress with delegates from each chapter that has enacted a number of long term programs in the past several years. "Having youth who take control like that is simply amazing and helpful to our program." So, the takeaway? Get involved in your chapter. Help plan events and ask for tasks. The more involved everyone is, the better the experience of Iowa DeMolay is for everyone!

## Member Highlight: Keaton D.

This month's member highlight is Keaton D. Keaton is the Master Councilor of Cedar Rapids. His favorite preceptor is Reverence for Sacred Things. He's excited for Conclave 2017 because we are going to Camp Dodge to work on team building and building stronger ties of brotherhood. But, more importantly he is excited to see all of his fellow DeMolays from around Iowa again!
