

Iowa DeMolay State of the Union

The first state event of the year is in the books! With that thought I'd like to take a look back and review the year up to this point. We've had a great time so far. The State Officers and I have had several opportunities to travel to chapters' stated meetings and fun events and even out of state to Nebraska and Oklahoma. We've learned a number of things and met some great new people. With our next state event being Grandmaster's Class and November being RUSH month, I'm excited to keep learning and meeting the people we bring into DeMolay!

All-Star 2017

This last weekend was All-Star! It was a huge event we had a carnival, we went to ComedySportz and Skellington Manor, and of course hosted a dance, without that it isn't a state event. Iowa DeMolay grew by two members. Congratulations to Mason B. and Calvin R. At the event we had visitors from Illinois, State Master Councilor Andrew B. and Grand Worthy Advisor Alyssa S., and from Minnesota, Past State Master Councilor, AJ B. I would like to thank all the Advisors, DeMolays and Rainbows that made this event a success.

DeMolay RUSH Month 2k17

November 2017 is DeMolay RUSH Month! A month of DeMolay membership growth. Every Tuesday we wear our DeMolay Gear. Precept week is Nov. 5th-11th to post on social media about one of our Cardinal Virtues using the hashtag #LivingDeMolay. Then the weekend of Nov. 17th-19th is Brotherhood Weekend and Iowa DeMolay will be hosting a Brotherhood Event in Cedar Rapids on Nov.18th as a Statewide Prospect Party. Lets get out and grow the organization we all love this RUSH Month!

All-Star was Awesome! Now what do we do until GMC?

If you sit there wondering what to do in between state events because nothing is as epic as what your State Officers design, don't worry. You always have your chapter to go back to! The time between state events strengthens the bonds across chapters. If you find that your chapter is lacking fun make it fun! You should always be on the lookout for prospects to bring to the next state event. Lastly, study your ceremonies every day! All it takes is fifteen minutes each day to avoid staying up late the night before a state event studying your parts. This is your State Junior Councilor signing off, till next time.
