

Brotherhood Events!

This year, Iowa DeMolay will be holding Statewide Prospect Parties called "Brotherhood Events" to focus on membership. State Officers will be working with each chapter to plan them. We have one of the best programs out there. Now, we just need to share it with everyone! The first one will be Nov. 18th with Cedar Rapids hosting. Mark your calendars or subscribe to the IA DeMolay Calendar at iademolay.org "Connect with Iowa DeMolay"! We will announce others as we get closer to the events. Can't wait to see everybody, and their friends!!!

DeMolay Membership Goal

"Dad" Land said "to become big, [we] must be big." The Iowa DeMolay State Officers have a goal for 12 new members in Iowa DeMolay between Sept. 1st and Dec. 31st. Upstanding and qualified young men are everywhere. School, sports teams, clubs, work, and everywhere we go! Lets share DeMolay with our communities!

Altoona Chapter went to Kansas City to watch the Solar Eclipse and visited the DeMolay International Service and Leadership Center!

Importance of DeMolay Advisors

Every DeMolay has at least one advisor that holds true to the "Dad" or "Mom" title. The advisors I have met during my time as a DeMolay have helped me greatly. Assisting me with school projects to applying for college, the advisors of Iowa DeMolay have always been there. The advisors of my chapter are a big reason why I continue my DeMolay career.
